Air Electro is a franchised stocking and value-added distributor for many of the world’s leading connector and contact manufacturers. We have a robust quality management system with complete ISO 9001 and AS9100 certification. It is our goal to provide the highest quality products that exceed our customers’ expectations.

### Value-Added Capabilities
Air Electro offers full value-added assembly for the following connector series:
- MIL-DTL-38999 Series I & II
- MIL-DTL-26482 Series I & II
- Souriau 8525 & 8526
- BACC63CT & BACC63CU - Composite
- BACC63DB & BACC63DC - Stainless Steel
- MIL-DTL-5015 Rear Release
- MIL-DTL-83723 Series III
- EN3645 & EN3646
- ARINC 401 & 600

### Inventory Management
Air Electro offers a comprehensive inventory management system that is scalable to fit your business needs. We specialize in creating systems that are flexible and allow for the customer to reduce inventory and maintain a high level of on-time delivery. Key Systems Include:
- Min/Max Management
- Quick-To-Stock
- JIT - Just-In-Time
- Vendor Managed
- Kabinet
- Dock-to-Stock
- JIT - Just-In-Time
- Kanban
- EDI - Electronic Data Interchange
- VMI - Vendor Managed Inventory
- DLF - Direct Line Feed
- SMI - Supplier Managed Inventory
- ISO 9001:2008
- AS9100 Rev C certified.

### Value-Added Capabilities
Air Electro is a franchised stocking and value-added distributor for many of the world’s leading connector and contact manufacturers. We have a robust quality management system with complete ISO 9001 and AS9100 certification. It is our goal to provide the highest quality products that exceed our customers’ expectations.

Established in 1952, Air Electro has grown to be a worldwide leader in the distribution, assembly and manufacturing of electrical connectors, contacts and related accessories. Our service the following industries: aerospace, defense, space, transportation, industrial, cable assembly manufacturing, connector manufacturers, data acquisition, electronic equipment, right-angled connectors (RFL) and telecommunications.

During the Past Six Decades...

The team at Air Electro have worked diligently to service the following industries: aerospace, avionics, defense, transportation, electronics, and telecommunications.

Air Electro is recognized as a worldwide leader in the manufacturing, connector manufacturers, data acquisition, electronic equipment, right-angled connectors (RFL) and telecommunications.

** Same and/or next day delivery options available

Air Electro has over 20 years of experience as a manufacturer of specialized connectors and contacts. We offer a wide variety of capabilities ranging from circular to rectangular connectors with quick PCB contacts to special coax and wire contacts. With a full in-house engineering department and dedicated machinery, Air Electro is able to offer quick turnaround time on quotes and manufacturing while offering competitive pricing and flexible minimum requirements.

**Technical Capabilities**

- High Amperage PC Tail Contacts
- Right Angle PCB Tail Contact Available for Space Saving Measures
- Epoxy Filled Connectors
- Double-Flange Shells
- High Amperage PC Tail Contacts
- Low Profile Connectors with PC Tails
- Manufacturing MIL-STD-810G Approved Products
- Fiber Capabilities
- Cable Assemblies
- Barrel Engineers with Full CAD 3D Capabilities & Print
- Quick Turnaround on Custom Quotes
